Parent Payments – Years 5 & 6 – 2021

Dear Parents / Carers,

Macedon Primary School (MPS) is looking forward to the 2021 year of teaching and learning.

Below is the Essential Student Learning Items fee schedule for 2021. Please complete this form and **return to the School by Friday 20th November 2020** outlining your preferred payment method. **Please note payment of 2021 fees is not due until 2021.** You will receive an invoice separate to this letter early in Term One 2021.

Essential Student Learning Items are items and services which are essential for your child to learn the standard curriculum. The School purchases these items in bulk so they can be provided to parents at a significant discount, as well as ensuring all students have the same stationery. We try to ensure that the costs are affordable for all families, however you have the option of purchasing the complete list of equivalent materials in the stationery pack from other sources. Please note these items may change without notice depending upon availability of supply when ordered later in the year.

Macedon Primary School also continues to welcome your voluntary contribution for 2021, however if this is not possible, we ask that you consider contributing in other ways such as working bees, contacting the School for ad hoc job opportunities or assisting with PFA fundraising. Your child will not be disadvantaged if you do not make a voluntary contribution. All records of voluntary contributions are kept confidential as well as your decision about whether to make a contribution or not.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

The following is a summary of the main principles of the Parent Payments Policy:

FREE INSTRUCTION

- Schools provide students with free instruction to fulfil the standard curriculum requirements as outlined in the Victorian Curriculum F-10, VCE and VCAL.

PARENT PAYMENT REQUESTS

- Schools do not ask parents to pay for school operating costs (e.g. utility costs) or general and unspecified charges.
- Schools request payments from parents under three categories:

Essential Student Learning Items

- Items and activities which the school deems essential for student learning.
- Parents may choose to purchase essential items through the school or provide their own.

Optional Items

- Items and activities that enhance or broaden the schooling experience of students and are offered in addition to the standard curriculum.
- These are provided to students on a user-pays basis.

Voluntary Contributions

- Voluntary contributions support the school to continue to be the best local school for all students and can be for general or specific purpose.
- Students will not be disadvantaged in any way if parents do not make a contribution.

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools obtain school council approval for their parent payment arrangements and upload their arrangements on their school's public website for transparency.
