Purpose

To explain to our school community the Department's and Macedon Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

Scope

This policy applies to:

1. All students at Macedon Primary School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

Definitions

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

Policy

Macedon Primary School understands that students may bring a personal mobile phone to school, particularly if they are traveling independently to and from school.

At Macedon Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Macedon Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Macedon Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Macedon Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Personal Goods](#) policy.

Where students bring a mobile phone to school, Macedon Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Macedon Primary School students are required to sign their phones in before 9:00am and out after 3:30pm at the front office. The phones will be stored securely in a lockable cabinet.

Enforcement

Students who use their personal mobile phones inappropriately at Macedon Primary School may be issued with consequences consistent with our school's existing student engagement policies [Behaviour Management Policy](#)

The Principal will only approve students bringing electronic devices such as mobile phones to a camp or excursion in exceptional circumstances and when it is in the best interests of the student, and may place

conditions on its location and use during the camp or excursion. This is outlined in our [Camps and Excursions policy](#) .

Macedon Primary School will provide students and their parents and carers with information about items that can or cannot be brought to camps, excursions, special activities and events, including personal mobile phones.
